We aim to spark the curiosity of the students and engage them effectively. This is a great place where students will have their opportunity to turn path-breaking research into real-world needs. Our leaders set the base for the academic, intellectual, and creative work that runs all around our campus. Committed to excellence in all areas, the leaders of our institutions ensure that we adapt and respond to contemporary issues, create an inclusive community and foster an environment for the wellness of our surroundings.

5 centers which act as our pillars of SNS covering all streams of lives to strengthen our education system. Rather providing a traditional learning environment, we focus on building a culture focusing on effective teaching and learning, innovation, skill and entrepreneurship development, industry connect and social responsibility initiatives. Applying Design Thinking to all these dimensions helps us the students to have the academic freedom to understand complex problems and principles through engaging learning activities and helps nurture progressive minds. With leading-edge faculty and remarkable alumni, we are committed to providing students with a challenging and relevant education for developing them to have an impact on the world and solve the most pressing social issues of our nation.

Design Thinking based Academic Learning.

Building Life Skills (Social, Emotional and Cognitive) through various Clubs.

Hands-on Experience to Solve Key Industrial Problems through Latest Technologies.

Connecting and Learning Business Sense of Top Industries.

Giving back to the Society through Social Service.

CLT offers unique and intensive professional development opportunities for faculty members to enhance culturally responsive teaching strategies and incorporate intercultural perspectives in curriculum. CLT also takes an evidence-based approach to advocating for effective learning and teaching practices, curriculum planning, services to support the use of technology in education, and institutional policies and infrastructure to enhance the learning environment. CFC in Professional Practice is a unique collaboration between leading researchers and academics from all of City. This centre is undertaken interdisciplinary research, teaching and knowledge transfer in creativity and innovation. Its growing focus on enterprise and on leadership in creativity and innovation make SNS a natural new host. The centre also investigates the phenomenon of creativity and how to lead and support it in professional practice. We treat creative leadership and problem solving as critical skills that can be learned and supported with the cutting-edge frameworks, processes techniques and digital tools that are developed by the Centre and underpinned by interdisciplinary theories and models. We are keen to shape our young minds skills through that they have a chance to develop their career. To keep this in mind, we have engraved Skill and Career Development (SCD), which offers insightful Skills Development Programs to groom students to be corporate ready. The department achieves its employability enhancement objectives by conducting Intensive Process Oriented classroom training & by organizing club of Excellence events related to both Soft and Hard Skills. These classes and events are managed by a well-groomed team from Academic. Students will get an opportunity to attend a wide range of interactive workshops, training sessions etc that help them to recognize, develop and articulate their employ-ability skills for future success. IIPC identifies the industrial expectation and promotes institutional preparation for meeting industrial needs by facilitating sponsored R&D projects, seminars, workshops and various other industrial training programmes. Industry Institute partnerships reflects in equipping faculty to latest practices and makes the students industry-ready by providing exposure to current industry practices, and hone their skills to adapt changing technologies. The primary focus of IIPC is to interact with elite industries in and around Coimbatore, and extend the efforts in establishing partnership with industries across the country in near future. At all our institutions, through Social Responsibility Initiatives (SRI) is taking responsibility for one's own actions. It is a promise everyone should make for the society while working for the social, cultural and, ecological causes. These responsibilities are ethically binding and propose that each person acts in such a way that minimizes the adverse effect to those immediately around them. SNS-SRI believes that something more than simply imparting of knowledge and skills to the students. As an active agent of social change, SNS takes on voluntary actions in the creation of a culture of social responsibility in society through a myriad of activities that address both our own competitive interests & welfare of the society. Some of the activities are the benchmark of SNS SRI such as SANTA 365, Neighborhood school program, A smart kid program, Performance Evaluation Test, Talent

Hunt & Talent Competition for identifying and recognizing the young talents from all over Tamil Nadu. We are happy to announce that the students and faculty members of the SNS College of Engineering have secured AAA Grade in CAREER360. We wholeheartedly congratulate all! We are happy to share that SNS College of Engineering has been ranked by the Internshala Annual Ranking 2021 of All India Rank 490 out of 1123 and Zonal Rank 197 out of 488. Dr.SNSRCAS, SNSCT, SNSCE has been named a Band Performer in the Atal Ranking of Institutions on Innovation Achievements (ARIIA) for the year 2021.

We are grateful to all of our stakeholders for assisting us in achieving this honor! We are happy to announce that the students and faculty members of the SNS College of Technology have secured AAA+ Grade in CAREER360. We wholeheartedly congratulate all! We at SNS Academy, a Fingerprint International CBSE School., tend to bring together the traditions and ethos of India and modern technology in an environment where every child is an individual and unique. Dr. SNS Rajalakshmi College of Arts and Science, a Supreme Center of Academic Excellence, ensuring the learners from all sections of society world class education with accessibility. SNS College of Technology, Coimbatore, renowned for its excellence in teaching, learning and research in diversified fields of Engineering and Technology. SNS College of Engineering, being a primer institution known for its quality education system that delivers internationally recognized engineers and entrepreneurs. SNS College of Pharmacy and Health Sciences, provides industry ready and socially sensitive holistic Pharma- graduates who adds value to themselves, their family, and to the country Dr. SNS College of Education, an excellent institution to mold noble teachers with high thinking, sound knowledge and healthy virtues to be a beacon light to the learners. SNS College of Allied health Science, provides distinguished teaching and learning environment for its students with most advanced medical practices. SNS College of Physiotherapy aims to provide quality education of international standards and impart professional ethics and skill-based clinical knowledge to the students in the field of physiotherapy and rehabilitation. SNS College of Nursing was established in the year 2020 under the Sri SNS Charitable Trust with an aim to provide quality nursing education and prepare nurses with the highest level of education and practice. The College is affiliated to the Tamil Nadu Dr. M.G.R Medical University, Chennai and is recognized by the Indian Nursing Council (INC) New Delhi, and the Tamil Nadu Nurses and Midwives Council, Chennai. SNS B-SPINE (an Experiential Business Programme) provides top-notch transformational programme to our MBA Programmes at Dr.SNSRCAS, SNSCT and SNSCE. It out-stands by providing a minimum salary package of 6LPA, an Outlook Transformation in first 30 days with Eloquent Etiquette, Communication, Thinking Transformation and Appearance Transfiguration, an Immersion exchange program @ Foreign Universities and certify students with Global Data Science & Business Intelligence Certification.

SNS was established in 1997 by SNS Charitable Trust with a high Mission and noble thought of educating the needy. Now, we offer 150+ courses covering both UG and PG programmes in the leading fields of Engineering, Technology, Arts,

Pharmacy and Allied Health Sciences.

Unlock your SPINE at SNS! A space for fun and growth. Our activity center  
plays a pivotal role in all kinds of community activity like sports, gymnasium,  
gaming & entertainments, Cultural, arts and music in 5 levels with world-class  
facilities.

With a wonderful ambiance and the latest cutting edge equipment in 5 levels  
to its credit, the SPINE THE SNS ACTIVITY CENTER is sure to mesmerize  
you by unlocking a world of new opportunities.

SNS iHub is an initiative by SNS Institutions to foster startups by providing a prototyping space immersed in an ambience of creativity and design thinking. The center helps to identify societal/industrial needs and solve them using design thinking approach, mentored by experts from academia and industry. Inputs on thrust areas provide the right ecosystem for business transformation and leads towards the desired growth.

The 'iTech Labs 'are an inter-disciplinary research space dedicated for ideating and developing innovative solutions for pressing problems. The iHub team supports incubates with technological access to those who are passionate towards problem solving and commercializing their ideas. The iHub team works incessantly under the five dedicated innovation labs, viz., AR/VR, Internet of Things, Artificial Intelligence, Machine Learning, Robotics and Automation and Additive manufacturing.

SNS-TI innovation lab is an initiative by Steps Knowledge Services, Coimbatore collaborated with Texas Instruments, Bangalore. It is a Design House catering to design, development, production and transfer of technology for new Products Development and Engineering of Special Purpose Machines (SPM), End of Line Testers, Quality Inspectors and Functional Testers for various industrial verticals. "Bot Lab" ,in association Automation Anywhere University established Coimbatore's first Centre-of-Excellence in the field of Robotics Process Automation (BOT Lab), which provided our students with level 2 training come placement opportunities. "Piston Factory", a lounge serves purpose for the students who are involved in real time project works as well as fabricating vehicles for attending various competitions conducted in various parts of the country. The joint venture V- Alienz SNS Product Design Studio developed by Centre for Creativity and Department of Mechanical Engineering jointly inaugurated a novel initiative "Company on Campus" to foster new product development. As an outcome of an Ideathon – Hackathon event winning innovative projects are set to display as a prototype and product in our SNS IBI LIQUID STUDIO. It is evolving as a prime space and the budding engineers deem it a privilege if their projects get shortlisted for display PREETHI J The Badminton Player, who hits through the Ozone Player RICHERD SON Power Lifting "Well, it's not going to lift itself" MAYURI T Every day is a great day for yoga! A fifteen-year-old Medical Transcription Company, providing quality transcription services. Evolved with time, providing quality products continues to grow strongly. 24/7 Petro fill service, located near Mettupalayam Road, Thudiyalur, Coimbatore. A leading exporter located at Don Bosco Puram, Vellakinar, G.N. Mill, Coimbatore. An establishing consortium led by our research and development committee.
